MEMBER BENEFITS

Rising to the New Reality

The pandemic is far from over, but already, we know that the way we live, work, think, and gather will be forever changed, even after the public health crisis ends. Like the rest of the world, *Fortune's* Most Powerful Women community quickly moved from a stasis of shock to the opportunity to connect digitally. And we, too, are forever changed. By necessity, we have all discovered new ways of sharing professional and personal challenges, surfacing insights and solutions, and even feeling over a virtual platform—laughing, mourning, and healing amidst the current challenges facing our world.

In that spirit of reimagination, we ask you to join us as we activate a new vision of engagement among *Fortune's* Most Powerful Women community. Plan on taking advantage of all the programs and benefits below, with an expanded membership through October 30, 2021.
