

Technology is driving rapid change across the entire spectrum of business, with companies and consumers adopting innovations, new products, and enhanced services at an unprecedented rate. These advances are no longer centered in centralized tech hubs—they are exploding across the globe, financed by VCs looking outside of Silicon Valley for opportunities.

The Brainstorm Tech community is the place to make sense of these changes and connect with your peers. Plan on taking advantage of all the programs and benefits below.

## MEMBERSHIP BENEFITS\*

---

### **Brainstorm Tech, Live** July 11–13, 2022 | Aspen, CO

We look forward to welcoming you back to Aspen for our annual by-invitation-only retreat of leaders from *Fortune* 500 companies, the top emerging entrepreneurs of the tech world, and the most important investors who finance them.

### **Brainstorm Tech Dinner** April 26, 2022 | San Francisco, CA

This gathering brings together our Brainstorm community to discuss the new ideas, emerging trends, and technologies that are reshaping business. Your input also helps us shape the content for this year's Brainstorm Tech agenda.

### **Brainstorm Design, Live** May 23–24, 2022 | Brooklyn, NY

*Fortune* is bringing together design-minded leaders to explore the ways the design process can drive radical transformation in business. You will walk away with the experience, tools, community, and resources you need to examine your processes, successfully respond to the changing business landscape, and unlock the power of your investment in design.

### **Brainstorm Tech at CES** January, 2023 | Las Vegas, NV

Our annual Las Vegas dinner is valued as a welcome opportunity for high-level networking and for exchanging ideas with your fellow Brainstorm Tech community members.

### **Virtual Conversations**

Join us for in-depth conversations and insights into fast-breaking trends with an exclusive group of Tech members. Members are also invited to selected conversations on other topics important to them. Our Zoom meetings offer the chance to hear from leaders in the industry and ask questions in an open forum.

## PLUS YOU WILL AUTOMATICALLY RECEIVE...

Access to *Fortune* Premium, including Fortune.com articles, video on demand library, *Fortune* list analysis and proprietary data reports, company and industry archives, investment briefings, and the newly designed print magazine.

For more details on these events, and to activate your membership (annual fee US \$8,500), please contact our team at [brainstormtech@fortune.com](mailto:brainstormtech@fortune.com)

\*Membership benefits are subject to change, and may be updated through 2022.
