

Most Powerful Women

FORTUNE

The Fortune Most Powerful Women (MPW) community brings together the most extraordinary senior women in business, who recognize that they have the power to impact and affect change among customers, colleagues, and the world at large. The MPW community include founders, CEOs, and C-suite executives, as well as leaders with a title of vice president or higher from global corporations.

Community Mentoring Opportunities

Fortune-U.S. State Department Global Women's Mentoring Partnership **Spring 2023**

Since 2006, the global women's empowerment nonprofit Vital Voices and the U.S. Department of State have teamed up with *Fortune* to bring mid-career women from around the globe to the U.S. for a three-week mentorship experience. MPW members are paired with female entrepreneurs and executives worldwide to open new avenues of opportunity and business capacity.

Fortune Most Powerful Women Future Leaders **October 2023**

Through a partnership with the Foundation for Women Warriors, *Fortune* will match recent military veterans who are transitioning into the private sector with MPW members for a speed dating-style mentoring session on-site at the MPW Summit in Laguna Niguel. Our community can offer career advice, insight on transferring skills these vets learned on active duty, and help with building their networks.

Editorial Coverage

News coverage of MPW Summit main stage and breakout session discussions and other events throughout the year.

Fortune Broadsheet Newsletter: required daily reading for MPW members and all female leaders.

MPW Quarterly Newsletters: from MPW editorial co-chairs and designed to keep you up to date on *Fortune* MPW events and our MPW community members.
